

Buff It Up! Program

Buff = Perfection + Personal Style

The **Buff It Up!** program is a self-paced personal development program for the individual who wants—and is ready—to have it all and have it all right now.

The Buff It Up! program targets 10 areas of your life, as listed.

This worksheet is designed to be used in conjunction with a coach trained to deliver this program. Also, many people find that this program is more realistic after they've completed the Personal Foundation Program.

The 10 areas on which you will be working are:

- A. My body
- B. My spirit
- C. My heart
- D. My self-care
- E. My home
- F. My work
- G. My quality of life
- H. My finances
- I. My family and friends
- J. My magic

Note: This is a very rigorous program. Take it one piece at a time. Your first score may be less than 10 or 20. Do not worry. You'll get to 70, 80, or 90+ sooner than you may think. Once started, the personal buff process carries its own momentum.

Instructions

There are four steps to completing the Buff It Up! program.

Step 1: Answer each question.

If the statement is true, check the circle. If not, leave it blank until you've done what it takes. Be rigorous; be a hard grader. If the item does not apply or will never be true for you, check it and give

yourself credit. You may do this with up to five items. Feel free to rewrite or reword up to five of the items in this program to better suit you, your needs, and your life.

Step 2: Summarize each section.

Add up the number of checked circles for each of the 10 sections and write those amounts where indicated.

Step 3: Color in the checklist provided.

If you have five circles filled in the My Body section, for example, color in the bottom five boxes of column A, and so on. Always work from the bottom up. The goal is to have the entire chart filled in. In the meantime, you have a current picture of how you are doing in each of the 10 areas.

Step 4: Keep playing until all boxes are filled in.

This process can take between six months and five years. Use your coach or advisor to assist you, and check back quarterly for maintenance. Also, please note that if any of the categories don't fit with you, cross them out and fill in what does work for you. Most of all, have fun with this!
